STEP TWO

You can **download PDFs** from the individual villa page to share with your clients, (and you can put your own logo on these too!)

Click "**customise your holiday**" on the villa page to add villa extras, car hire and transfers. Whether your clients are after baby gates, cots or pool heating, this can all be booked here!

OUR EXTRAS

A perfect opportunity to make more commission and add value. All of our transfers are private!

STEP THREE

Looking to package the villa with flights?

Please email tradesales@solmarvillas.com or call trade sales on **01283 372831** once you've picked your villa and dates. Find the flights you require before calling the team for a quote to help speed up the process.

For villa-only bookings, the deposit required is 15% of the final price.

If flights are added, our new lowest deposit options will apply. Please remember that the full balance is due within 12 weeks of booking.
